3 Year Old Nancy McLain Seriously Injured In Two Car Collision

Nancy McLain, three year old daughter of Mr. and Mrs. Gus McLain, Jr., was seriously injured and hospitalized following a two car collision at the intersection of North Jackson and 13th Avenue Friday morning at approximately 8:30. She was thrown out of the car and later carried to St. Edward Hospital by Dena Kestenbaum. Sheriff Carl Black, who investigated the accident said. Her attending physician described her condition as very serious, but hospital officials stated that she was resting satisfactory Friday afternoon.

The accident occured when the 1953 Pontiac, driven by Mrs. McLain was struck on the left side by a 1954 Cadillac driven by Mrs. Rush Thomas, that pulled in the intersection. Mrs. McLain was traveling South on North Jackson while Mrs. Thomas was driving West on 13th Avenue.

Although the impact of the collision threw Nancy out of the car, Mrs. Thomas and Mrs. McLain suffered only shock and miner bruises.

Sheriff Black said both cars were considerably damaged but gave no estimate.

Thompson Resigns Utilities Job In Caldwell; Opens Business Here

Clifford Thompson, former Cameron resident, and son of Mrs. Viletty Thompson of this city, has resigned from his position with the city of Caldwell to enter business in Cameron.

The following news article is taken from The Caldwell News, dated Friday, August 27, 1954.

"Clifford Thompson, city utilities manager for the past two years, tendered his resignation to the City Council at the regular meeting of that body Tuesday night.

During the time Mr. Thompson has been in Caldwell and at the head of the utilities service a great many improvements have been made and the service placed on a sound and efficient operating basis.

Thompson handed his resignation to Mayor Judson C. Womble after the reading of a report which set out the progress made by the City Utilities during his two years tenure of this office. This report showed that the profits which were largely used to improve the water, sewer and electric utility systems has been greater than in any like period in the history of Caldwell.

Mr. Thompson pointed out to the Council the benefits derived by having a full time Manager of Utilities and expressed his appreciation of having worked with a City Council that had the public interest so much at heart.

His resignation is effective at the convenience of the Council but not later than September 30, 1954. Mrs. Thompson and the children will move to Cameron soon to commence school there where Mr. Thompson will open an office on October 1, to do land surveying and engineering."

O. J Thomas School To Open September 6

The O. J. Thomas School will open Monday morning, September 6 at 9 o'clock C. L. Sadberry, principal, announced. Registration will follow the general assembly that opens the new school year at 9 a.m. All parents were asked to be present, if at all possible, at the assembly.

A faculty meeting will be conducted Saturday afternoon, September 4 Sadberry said. A general session will be held and materials will be distributed.

All parents who have not taken their six-year olds to the Health Unit were requested to those children are required to do so before September 6 as have their vaccinations before that date.

The principal also stated that children who are six years of age before September 1 and who failed to be listed on the census, must present a certified birth certificate to the school officials.

A petition was filed in District Court Tuesday, August 31, 1954 at 11:40 to have the absentee ballots in the August run-off that were rejected from Rockdale, Precinct 15, canvassed and counted in the official returns from Milam County.

District Judge O. D. Graham, after reviewing the petition, set a hearing for 10 a.m. Saturday, September 4.

Two hundred and forty-seven absentee ballots were rejected last Saturday afternoon by Leo O'Neill, Lucille Erwin and Doris Gamble, members of the canvassing board set up by the county democratic executive committee to tabulate absentee votes in the July and August primaries, after Don Humble appeared as a private citizen before the board and challenged the ballots.

In the Three page petition filed by Attorney Jack W. Prescott, campaign manager for Governor Shivers, on behalf of Lee Young, Ray Starr, James F. Gunn, Bill Dockall, H. H. Coffield, Maurine Adams, W. P. Hogan, C. W. Moehring, John T. Richards, Walter Weise, John C. Hirt, John Yelverton, I. B. Bullock, Mrs. I. B. Bullock, and H. H. Harris, is alleged that action by the special election board deprived the plantiffs and 232 other voters of the Rockdale Precinct of their right to cast their ballots in the run-off election.

The petition pointed out that Mr. Humble gave no specific grounds for challenge of any specific ballot that was cast, but merely stated that he felt and believed that some of the absentee ballots were illegal, therefore, he was challenging all of said absentee ballots from Precinct 15 at Rockdale.

Humble said his contention was that it was impossible for the election judges at that time to determine which votes were illegal and which were valid. Pertinent law was called to the board's attention prior to the board's action in throwing out the votes.

Attorney Prescott filed his petition with District Clerk Grady Allen nearly an hour after the Milam County democratic executive committee had canvassed the election returns and adjourned. The canvass was made without the rejected ballots being included in the certified returns.

These certified results of the election are mailed to the chairman of the state democratic executive committee and a copy filed with the county clerk. These returns have been filed with both officials, chairman Max McClaren revealed.

Before adjourning, H. B. Pressley, member of the county executive committee presented a resolution commending chairman McClaren for the fair and impartial manner in which he conducted the two democratic primaries. The resolution was unanimously adopted upon motion of Harry W. Clark of San Gabriel.

Milam Named As Drouth Area

Late Thursday afternoon the Department of Agriculture included Milam, Falls and McLennan counties in the drought area as requested by Congressman Bob Poage. The Cameron Herald received a telegram from Congressman Poage confirming this designation.

Thirty-three counties in Texas were included in this latest addition and made eligible for federal aid programs.

It was the second group designation of the day. Earlier 30 Kansas counties and one additional county in Colorado had been placed on the list.

The Texas counties designated today, which bring the total named in the state to 75:

Anderson, Angelian, Burleson, Caldwell, Cherokee, Ellis, Falls, Fayette, Freestone, Gonzales, Hill, Hood, Johnson, Kerr, Lavaca, Leon, Limestone, McLennan, Madison, Milam, Nacogdoches, Navarro, Palo Pinto, Parker, Rains, Robertson, Rusk, Sommervill, Smith, Tarrant, Washington, Wise, and Wood.

A recent report from the office of Roy Wright, FHA Supervisor for this county indicated that Milam County would soon be named among the disaster counties.

Wright said that a number of farmers had already inquired about the program. He stated that when the designation is made application blanks will be available at the local FHA office located in the Henderson Building in Cameron, within 48 hours.

Feed grains, as well as hay, is now a part of the program in the designated areas. The program is a "60 day program and will be based upon the needs of the farmer or rancher for only a 60 day period and it is for the maintenance of foundations herds only.

Pruett Reminds Parents of New Resolution Adopted

Parents have been reminded again by Milam County School Superintendent Hinton H. Pruett that a resolution was adopted by the Milam County School Board recently stating that each child who will enter school for the first time this September will be required to file a birth certificate with the teacher of the first grade.

Pruett said a child must be six (6) years of age on or before the 1st of September in order to enter the 1st grade, and be counted on the ADA of the school.

Local Men Attend Waco Meeting; Pink Bollworm Control Discussed

John A. Smith, president of Milam County Farm Bureau and local farmer and rancher, and J. D. Moore, Milam county agricultural agent, attended a meeting of farm experts and farmers from a nine county area in Central Texas at Waco Monday. A three-point program aimed at controling the pink bollworm in the nine-county area was approved, however, the three points approved are voluntary. They are:

1. **A fall clean-up campaign with** October 31 set as goal for all all cotton stalks to be destroyed.

2. **No cotton is to be planted until** after April 1.

3. **The use of chemical control** as a supplementary measure.

The meeting was called by Eugene Butler of Dallas, chairman of the cotton insect and disease section of the statewide cotton committee. Buler is Editor of the **Progressive Farmer**, a southern magazine.

Attending were county agents, vocational agriculture teachers, ginners, insecticide dealers, implement dealers, and cotton oil and mill representatives.

Counties involved are McLennan, Falls, Williamson, Bell, Coryell, Milam, Burleson, Grimes and Brazos. The last three counties were added to the program following reports of entomologists concerning the pink bollworm infestations there.

Speakers included Dr. J. C. Gaines, head, department of entomology, A and M leader, pink bollworm control, U. S. Department of Agriculture.

Butler said that what is done here to control the pink bollworm will determine the future spread of this cotton pest. He said the meeting was not called to put on mandatory plow-up dates for this area. Chapman said: "I don't know if we will ever have mandatory stalk destruction here, but if we find that we need to have it, we will".

Dr. Gaines said the clean-up campaign can include such measures and mechanical stripping of cotton, grazing the cotton fields, using defoliants on the cotton for stripping, and stalk destruction.

Dr. Gaines continued to say that the first bale program is causing an infestation of pink bollworms. "The cotton has to be planted early and, that offers the pink bollworm a place where he can have a first generation. And that generation spreads on to other cotton fields", Dr. Gaines explained.

It was suggested that in McLennan County, no premium will be paid on a first bale of cotton unless it is planted after

Milam Demo Committee Certifies August Primary Election Returns

The Milam County Democratic Executive Committee met August 31, 1954. The meeting was called to order at 10:00 a.m. by Chairman Max McClaren. Clifford Carlisle acted as secretary for the meeting.

Chairman Max McClaren appointed a committee of six composing of Roland Carr, C. W. Hickman, Harold Pressley, George Leath, J. D. Kornegay and Roy Law to check the election returns. After the election returns were checked and approved. The Chairman instructed the secretary to certify the returns and mail them to the Chairman, of the State Democratic Executive Commitee as required by law and also to the County Clerk's office.

Harold Pressley offered a resolution which reads as follows:

A RESOLUTION

WHEREAS, the chairman of the Milam County Democratic Executive Committee, Honorable Max McClaren, has performed his duties with exceptional promptness, fairness and ability during the recent primaries and caused the election supplies to be promptly delivered and returned and the results of the election announced at an early date.

THEREFORE, be it resolved by the Milam County Democratic Executive Committee that we commend our County Chairmen for his fairness. impartiality and further that we approve his actions as our County Chairman.

Be it further resolved that a copy of this resolution be by our Secretary delivered to Mr. McClaren."

A motion was made by Harry Clark that we adopt the resolution. Following a second the motion was unanimously approved.

The Chairman then said: Thank you, Mr. Pressley. I don't

Formation Of Water District Along Little River Discussed

Thirty interested land owners of the Little River District met at the District Courtroom in Cameron Thursday night to hear Hammond Moore, manager of the Temple Chamber of Commerce and August Kacier, attorney and land owner from Temple discuss the formation of a water district.

Moore and Kaicer discussed the formation of a water district for irrigation, the ways to go about forming such a district, and they explained the advantages of a water district.

They stated that it was only through a water district that land owners in the Leon and Little River water sheds would be eligible to use the 45 thousand acres of water backed up by the Belton Dam. This was set aside by legislation for irrigation purposes in the Leon and Little River water sheds.

After discussing the water district at length, steps necessary to form such a district were hit upon by those attending.

John Henderson of Cameron was named chairman of a nominating committee, composed of John Henderson, Hubert McClaren, Ed Senkel, of Buckholts and A. H. Baskin, Jr., of Cameron.

This committee will meet and choose seven men representing different parts of Milam County along the Litlte River. These men will comprise a steering committee, whose job it will be to contact all Milam County land owners in the proposed water district area to see if they want to form a Water District. If they find that fifty percent of the land owners are in agreement they will petition the County Commissioners to hold the necessary election in order to proceed with the plans of the water district.

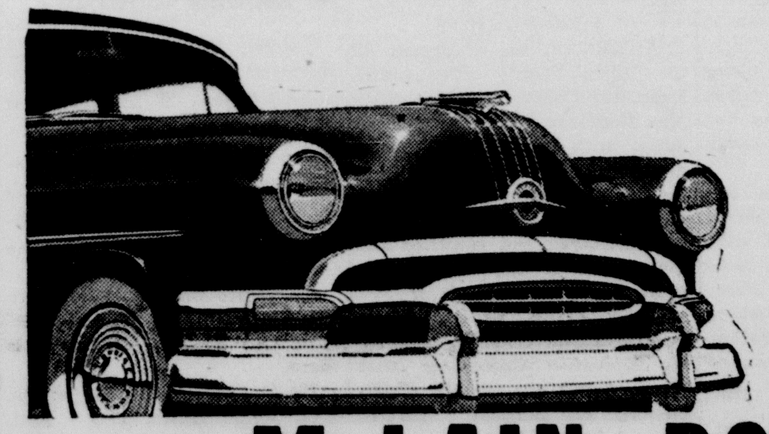
4 Important Reasons why you should buy a PONTIAC RIGHT NOW!

1 Pontiac is One of the Greatest Cars Ever Built!

Match today's Pontiac with America's finest cars and you'll get a dramatic picture of Pontiac value. First of all, Pontiac is big—bigger, in fact, than many cars costing hundreds of dollars more. Pontiac is beautiful—with its distinctive Silver Streak styling. Inside, you'll find genuine fine-car luxury and appointments—along with the roominess and comfort that come only with a long wheelbase. But the big surprise comes when you test Pontiac's performance. See how alert it is to every demand in traffic, how it handles and corners almost without effort, how it takes to the open road with plenty of power to spare and saves money every mile.



2 Pontiac has the Best Resale Value in its Price Class!

Along with all its fine-car size, luxury and performance, Pontiac has a very special attribute no car at any price can beat—its unsurpassed reputation for year-in, year-out dependability. Pontiac's carefree, economical long life and its proved record of amazingly low maintenance expense are so widely known and acknowledged that it commands the highest resale value in its price class. Because Pontiac is America's most desirable used car, your original investment comes back in greater measure when you trade.

3 Pontiac is Priced Just Above the Lowest!

After you've convinced yourself of Pontiac's value, after you've considered all the good things you've heard about its dependability—see how it compares dollar-wise. Despite the fact that it's a fine car in every sense of the term, Pontiac is priced so near the lowest that if you can afford any new car you can afford a Pontiac.

4 We'll Make You a Deal You Can't Afford to Miss!

Right now we're making such liberal trade-in allowances that you just can't afford to pass up the greatest opportunity you ever had to become a fine-car owner. Come in and get the facts.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

Dear Editar:

I am going to start a campaign to get people to read the newspapers more carefully.

One day last week I picked up a paper off my neighbor's tractor seat where he had put it to shade it from the sun while he went to the house for a drink of water, if he'd leave his tractor under a tree where I leave mine and drain all the gas and oil out and let one or two tire go flat and the battery run down he wouldn't be bothered by comin back to the field and havin to sit on a sun-scorched seat.

At any rate, I can't be responsible for my neighbor's short - sightedness and enlightenment is as important as labor so I borrowed the paper and took it over under a tree and read where Congress has just raised the debt limit of this country.

The debt limit was something that was holdin not only the government down but me too, and naturally I was pleased to get this news.

I grabbed my hat and lit out for town, but it didn't take me long to find out news must travel faster in the country than in town, as the first store I went to told me straight out they hadn't heard about any increases in the debt limit, especially my limit, and my credit situation was the same as it had always been. Next four stores told me about the same thing, only in different language which I will not repeat here.

I will appreciate you carryin a notice in your paper in a prominent place that Congress has raised the debt limit and the President has signed the new law and let's get the wheels of commerce turnin.

As I understand the terms of the new law, the government's debt limit has been raised from 275 billion dollars to 281, but it's only temporary, with the stipulation that it has to be back down to 275 billion by next June 30, provided, and here's where Congress makes sense, that conditions at that time don't make it necessary to extend it beyond that date, in which case it would have to be extended.

Now that's the kind of debt limit I'm in favor of, flexible and ready for any emergency. Just like the government, I have found frequently that when a note comes due I need the money worse then than I did when I borrowed it in the first place, an I would like to get my personal leeway to keep extendin the loan indefinitely, with only a majority vote needed to do the extendin, without consultin the lender, which in my case I figure I can swing as there wouldn't be anybody but me doin the votin.

Yours faithfully,
J. A.

Pvt. G. McDermott At Brooke Army Medical Center

Pvt. Giles B. McDermott, son of Mr. and Mrs. Erskine McDermott, Cameron, Texas has reported to Brooke Army Medical Center for advanced basic training at the Medical Center.

He will be prepared for duty with the Army Medical Service at the Army's only basic training center for medical corpsmen and combat aidmen. The Medical Training Center offers intensive instruction in field medical care and hospital ward management, and trainees make practical application of their instruction during a field problem conducted for five days under simulated combat conditions.

The Medical Training Center is one of seven units of Brooke Army Medical Center, the Army's largest medical installation. The Center carries on virtually all phases of professional and technical training in military medicine as well as patient treatment and research.

Pvt. McDermott entered the Army last May and recently completed his basic training at Ft. Bliss, near El Paso. Prior to entering the service he was associated with his father. A graduate of Yoe High School, Pvt. McDermott attended Texas A & M College. He recently spent a leave with his parents and other relatives.

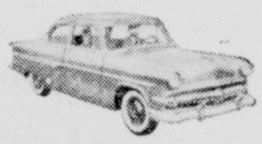
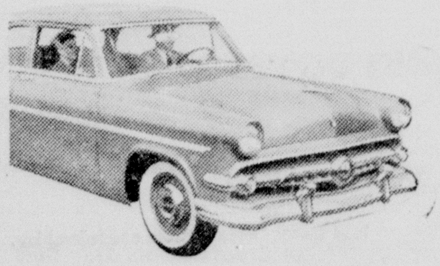
THE BIGGEST NEWSPAPER BARGAIN IN CENTRAL TEXAS!

Buy wisely!



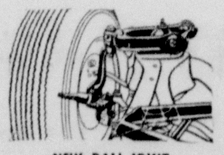
If you knew that the car you were thinking about buying would be a "has-been" at trade-in time, would you buy it? Wise buyers know that the more their car is worth on resale, the sounder their original investment. That's why more and more car buyers are swinging to FORD . . . the low-priced car that returns a higher proportion of its original cost than any other make.

Buy FORD!

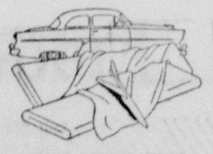


Today's FORD has features so modern that in a few years it will still be considered . . . and valued as . . . an up-to-the-minute car. Proving just how modern these features are, no other low-priced car has them . . . nor do some far costlier cars! For example, in FORD you'll find . . .

ULTRA-MODERN V-8 POWER
Ford's 130-h.p. Y-block V-8 is the only V-8 in the low-price field . . . the most modern in the industry.

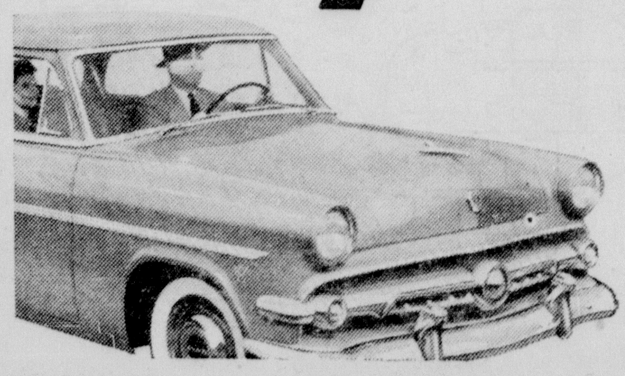


NEW BALL-JOINT SUSPENSION
Ford's Front Suspension is the greatest chassis advance in 20 years for easier riding and handling.



TREND-SETTING STYLE THAT STAYS
Because Ford styling sets the trend for the industry, it will stay attractive for the years ahead.

Buy now!



There's no better time than now to see your FORD DEALER. It's a fact that your old car will never be worth more on a trade-in than it is right now. And there are so many things about FORD that will make you want to own one! Come see for yourself. *Take a Test Drive!*

You get a GREAT DEAL with FORD!

HON. CHARLES C. SMITH JR.
CO. JUDGE MILAM CO., CAMERON, TEXAS

The United States Department of Agriculture advises that they have approved my recommendation and that of the State drought committee for the designation of your county as a major disaster area because of drouth. This opens the way for farmers and stockmen in the counties to apply for emergency disaster loans from Farmers Home Administration 60-cent-per-hundredweight credit on emergency grain supplies and a rebate of one-half the transportation cost of hay up to $10 a ton. Your local FHA ASC and County agents office can give full details in this regard. I shall be grateful if you will convey this information to the people of your county.

Kind Regards,
Allan Shivers, Governor of Texas

Cameron Yoemen End First Week Of Grid Drills; Team Improving

The Cameron Yoemen are approaching the last week of nightly drills at the Yoe High School football field with B and A strings separated and working on opposite ends of the field.

Coach Leo Jackson stated Friday morning that the young players are taking hold as expected pre-training, but he emphasized that the players will have a long way to travel before being in top shape due to their inexperience.

No injuries were reported during this first week of training, but Thursday night during practice halfback Jimmie Rettig pulled a leg muscle. It was not known exactly how serious the injury was Friday morning.

The team is shaping up nicely and settling down for hard practice and a goal of improvement, which they are attaining gradually.

There will be no workout on the field Friday night, but the boys are scheduled to indulge in an afternoon practice. The public is invited to witness the nightly drills, which will continue next week from 7:30 to 9:30.

It was announced through the Superintendent's office that the Yoemen season tickets have not as yet been printed. These tickets will not be on sale until at least the first week in September, and when they are ready, an announcement will be made. The first game is on September 10 at the local football field.

News About The Korea GI Bill Training Program

Post-Korea veterans now have three years from the date of their discharge to start Korea GI Bill training under a new law signed by the President August 20, 1954.

Particularly benefited are the majority of veterans discharged before August 20, 1952. Under the old law, they had to start training before last Friday, August 20, 1954; but, since most fall school terms begin after that date, those unable to get in training before last Friday, August 20, 1954; but, since most fall school terms begin after that date, those unable to get in training before the deadline would have lost their entitlement.

The new law, which reestablished their entitlement for another year from separation, permits those with extended deadlines to enroll for the fall term this year.

Another section of the law benefits some disabled veterans who have not been able to begin or complete training under Public Law 16, a special vocational training program for the disabled of World War II and four-year extension in their Korea. These veterans get a deadline for completing training.

VA Loan Program Extended By Law

The Veterans Administration direct loan program to aid veterans in the purchase of construction of framhouses or homes in areas where private financing is not available has been extended and increased under Public Law 611 signed by the President August 21, 1954.

The new statute extends the program until June 30, 1955 and authorizes the Treasury to advance VA up to $150 million in quarterly allotments of $37,500,000 during the fiscal year. The newly authorized funds will be distributed to eligible direct loan areas in quarterly allotments. Veterans already on waiting lists will have first call on funds in their respective areas. Currently, direct loans bear interest of four and one-half percent.

CARD OF THANKS

It is with a deep sense of gratitude that we express our sincere appreciation to the many friends and neighbors who came to our aid and worked so faithfully in saving our home and furnishings during the recent fire.

We are especially grateful to the Buckholts Fire Department who were so speedily and put out the blaze, their fine ability and quick thinking shown in handling the situation is indeed a credit to our community. Our deep appreciation also to the Cameron Fire Department who answered our call so promptly.

We shall always cherish the little acts of kindness and sympathy extended by our many friends in the days that followed.

Sincerely.
Mr. and Mrs. B. M. McMillion

Mr. and Mrs. R. A. Moeller of of Debine Allan, a son, born Aug-Rogers announced the arrival ust 3 at St. Edward Hospital. He weighed 6 pounds, 5 1-2 ounces.

To The People of Buckholts

Last week when the McMillion's home was damaged by fire, the Gresak brothers were given all of the credit. We feel we can not stand by and take this credit, for actually there are eleven boys in the fire department, who did the work. In my estimation, they work earnestly at each fire and deserve as much credit. We are all for one and one for all.

Members of the Buckholts Fire Department includes Frank Tomascik, Johnnie Tomascik, Johnnie Balusek, C. H. Gramm, A. W. Zajicek, Jr., Nealon Peeler, Red Able, W. H. Mauolets, Waymond Gresak, Adolph Gresak and Fred Gresak.

Yours truly,
Fred Gresak.

YARRELLTON NEWS

Mrs. Lena Russell

Johnnie Measles of Temple was a Wednesday visitor in the Chas. E. Russell home.

"The big fish didn't get away this time." A 28 pound Buffalo fish was caught out of the Geo. W. Blansett tank at Yarrellton Wednesday morning by W. G. Lock and family with a group of neighbors assisting in the catch. This large fish had been seen several times and hooked by numerous relatives of Mr. Blansett, as fishing for the "Big One" was everyone's sport when visiting at Yarrellton with him while he was still at home. The big tank is getting low on water and the exteremely hot weather on the shallow water made this big fish restless and on the move during the day.

Mrs. Clarence Colburn returned home last Wednesday from Temple hospital and is recuperating nicely at last report.

Mrs. Alton Bryant is a patient in Austin hospital.

Emergency MOD Officially Closes; Donations Are Still Welcomed

The emergency March of Dimes ends Tuesday, August 31 in Cameron, but anyone wishing to contribute after that date is cordially welcomed to do so, Jack Tumlinson, county chairman for the Milam Emergency March of Dimes, said.

He stated that any delayed contributions may be sent to the March of Dimes, o|o Methodist Youth Fellowship, Post Office Box 537, Cameron, Texas. The members of this church organization are aiding this important call of duty. Tumlinson said that all checks should be made payable to the 1954 Emergency March of Dimes.

Coin canisters will later be picked up by the MYF. They are located in every business establishment in the city and are available to citizens.

With the polio incidence increasing and improved treatment techniques for polio patients have conspired to send polio costs soaring this year, Tumlinson said.

"This ironic combination," he continued, "is one of the underlying reasons why the National Foundation for Infantile Paralysis has found it necessary to hold this emergency. It cannot be predicted on how Milam County has reacted to this emergency appeal for funds until the funds begin arriving."

Tumlinson explained, however, that he hopes the County does well in this vital campaign. "We cannot abandon polio patients who need our help," he said. "Nor can we strangle the programs of polio prevention and research that have brought us so far toward the defeat of polio. Everyone now must help keep this faith."

Tumlinson explained why polio funds for 1954 are so short. The 1954 March of Dimes drive, he said, raised $55,000,000 but this was $20,000,000 short of the $75,000,000 known to be needed last January for all programs including new polio prevention efforts such as the vaccine trials and the increased supplies of gamma gobulin. High national polio incidence now indicates that even $75,000,000 may not be enough.

Milam County contributed over $7,000 in the January March of Dimes, which was exceptionally well for this county. During this drive, no set quota was set since it was a spot campaign. It was also explained that this campaign has been conducted different from the regular March of Dimes drive in January. The community chairmen were not called upon during this drive.

The only actual activities that were conducted during this drive were the letters of solicitation and coin canisters, which were distributed by the MYF. Although the campaign officially closes on Tuesday, August 31, donations may be made. It is still not to late to join this victory band wagon, which is despertly trying to strike a victory over poliocuring and preventing it. Give Today to this March of Dimes!

Bulldogs To Open Football Training September 1

The Bulldogs from O. J. Thomas High School open football training September 1 it was announced by C. L. Sadberry, principal of the high school. Head coach is E. L. Acox with W. J. Anderson, assisting.

Seven lettermen return this year to mold the form of the Bulldogs who play in District 8-A, along with Rosebud, Rosenthal, Caldwell, Taylor, A & M Consolidated, and Snook.

Experienced gridders are James Turner, John Campbell, McKinley Petty, Edward Lee Boyd, John Boyd, James Dickey, and Lawrence Roberts. Sadberry said that approximately 30 boys are expected to come out for the team, among them many good prospected Bulldogs from the Freshman and Sophomore classes.

The schedule has been completed, but up to date it has not been released. The Bulldogs are scheduled to play six district games and four non-conference tilts.

Sadberry said football practice will open at 7:30 each evening September 1 at the Colored Park. He said all training will be at night.

July Report Of Highway Patrol Activities Given

Have you ever stopped to think what you could do with $46,116? Most people never think of money coming in this great of sums, yet during the month of July, 1954, that amount of money was destroyed in thirteen counties, including Milam.

That was the total property damage as a result of accidents, not counting the value of four lives and personal injury that was conflicted on 44 persons in the Austin District.

Sixty seven of those accidents were on state and federal highways; five on farm to market highways, 12 on county roads and 11 in small towns.

Over half of the mishaps, 69 were caused by speeding. Drinking was the causative factor in 38 accidents; 21 by reckless drivers and 16 who were on the wrong side of the road.

E. E. Browning, Jr., captain of the Texas Highway Patrol, Austin District relisted the report and said that 9 persons were killed during July of 1953, 56 persons injuried and an estimated cost of $49,636. was caused.

The basic function of the Texas Highway Patrol is traffic supervision. They also direct traffic, investigate traffic accidents and enforce traffic laws.

During July they investigated 95 accidents, arrested 783 persons, gave 1,387 warnings for hazardous violations, arrested 52 for major crimes, apprehended 4 fugitives and assisted 3,560 persons.

The 26 highway patrolmen traveled 60,942 miles and worked 3,-[illegible] day hours and 2,508 night hours.

They also assisted 14 other police agencies and collected $6,-187.05 in fines from patrol arrests.

Mrs. B. C. Caldwell is reported to be improving at her home at this time where she has been confined to her bed for several weeks. She will be confined to her bed for several more weeks. Her many friends are wishing for her a speedy recovery.

Thundershowers Cool Off Central Texas; Cameron Gets Trace

Most parts of Central Texas were washed off Tuesday, some with heavy downpours, some with light sprinkles, and some with only a slight trace of rain.

At any rate, the thundershowers gave the Central Texas cities relief from the scorching heat that has been beating down for the past week.

Cameron was among those receiving only a trace, but it cooled the temperatures considerably. It was 105 degrees for the high, while the low was 76 degrees.

Lometa in Lampasas county reported two and a half inches of rain during the early part of the night. Lampasas and Copperas Cove reported 1.03 and 1.02 inches respectively.

The rainfall in Temple was general but light and one unofficialy report was .25 of an inch.

The Joe Lee community estimated their rainfall over an inch while Rogers got a half-inch.

Bartlett got .05; Rockdale .50; Jarrell .21 and Rosebud getting a thundershower, but estmate was not given.

The weather in Central Texas is forecast to be partly cloudy with possible scattered showers Wednesday and Thursday. No important change in temperatures, which means that it will continue to be hot.

Dwight Hine Attends 7th Annual School In Houston

Dwight Hine, vocational agriculture teacher of Sharp High School, attended the seventh annual Livestock Marketing School in Houston August 23 - 25.

This school was sponsored by the Houston Chamber of Commerce, Houston Farm and Ranch Club and the vocational agricultural department of the University of Houston.

The purpose of the school is to train vocational agricultural teachers and livestock producers how to produce, grade and market the type of livestock the consuming public demands.

Mr. Hine reports a very educational and etnertaining trip.

Mr. and Mrs. O. W. Benold and son, Michael were guests Sunday of his parents, Mr. and Mrs. O. W. Benold Sr. at Georgetown.

Mr. and Mrs. Clinton Mull and children, Deyrll and Pam of Columbia, South Carolina were recent guests in the home of her parents, Mr. and Mrs. Paul Sake-

1954 Milam Cotton Harvest two-thirds Complete This Week

Reports from various sections of the county reveal that about two-thirds of the 1954 Milam Cotton has been harvested. Around 200 crews of migratory laborers have been in this area pulling or picking the state's No. 1 product.

Farmers who need pickers may contact the Farm Bureau or the Chamber of Commerce office for information. Crews have been coming in daily and a few are available at the present.

Information has been received by Billy Bickett, local field man for locating laborers that opening for pickers have been listed with him for the need of laborers in the San Angelo area and within a week of ten days the area near El Paso will be ready for harvest.

Farmers who need pickers are urged to contact Mr. Bickett so that placements may be made. If the laborers go on to other areas now, some Milam farmers may not get all their crop harvested.

A report of all the bales harvested in this county is in the process of being secured. The report will be available by the latter part of the week.

HORSTMANN BROTHERS

Miss Nelda Henson, Richard Jones Marry At Rosebud Baptist Church

Miss Nelda Henson and Mr. Richard Jones exchanged vows in a candlelight ceremony at the First Baptist Church, Rosebud, Saturday August 14 at 6:30. The bride is the daughter of Mr. and Mrs. Nollie Henson of Briary. Mr. Jones is the son of Mr. and Mrs. Bailey Jones of Rosebud who formerly lived in the Jones Prairie community.

The ceremony was read by Rev. C. B. Hall of Luling and Rev. T. O. Bindord of Rosebud.

The altar was banked with white chrysanthemums, caladiums and candelabra of lighted tapers. Misses Lela Faye Jones of Waco and Shirley Thrasher of Austin were candlelighters.

Mrs. John Penick, organist accompanied Charles Henson, brother of the bride who sang, "O Promise Me." Mrs. Penick also rendered other nuptial selections. Miss Sherill Sheffield of Palestine played a number of selections on the xylophone. Mr. Henson also recited Browning's sonnet, "How Do I Love The."

The bride, given in marriage by her brother-in-law, Stanley Tegge of Austin, wore a waltz length wedding gown of white tulle over taffeta and styled with an Elizabethan neck and three-quarter length sleeves. Her Juliet cap held the finger tip veil of French illusion. Her only jewelry was a pair of small pearl earrings, a gift of the groom. Her bouquet was of white carnations atop a white satin Bible.

Mrs. Stanley Tegge, sister of the bride, was matron of honor. Her gown was waltz length of dark pink net with matching hat. Mrs. Tegge carried a bouquet of white carnations.

Bridesmaids were Misses Emmar Lou Franklin of Austin, Sarah Walker of Shreveport, La. Both zridesmaids wore identical gowns and headdress designed similar to that of the matron of honor but in graduated shades of lighter pink. Little Beverly Tegge, niece of the bride, was flower girl. Her dress was of pale pink and designed and fashioned on the same pattern as the bridesmaids.

Bailey Jones attended his son as best man. Groomsmen included Hope Jameson of Freeport, Cecil Wright of Robstown, and Charles Henson and Wiley Garrett.

The reception that followed the impressive double ring ceremony was held at the home of the bride's parents in the Briary community. The bride's table, covered with a lace cloth was centered with the attendant's bouquets. Miss Bessie Lou Howard of Port Arthur presided at the cake service. Miss Joyce Holmes of Belton served punch.

Miss Lela Gaye Jones of Waco registered the guests in the bride's book. Included in the house party were Mrs. Guido Gersbach, Mrs. Mayewood Morris, Mrs. C. B. Franklin and Mrs. Leroy Massengale.

The mother of the bride wore a navy dress with pink accessories. Her corsage was of blue carnations. Mrs. Jones wore a navy suit with blouse and accessories in powder blue and a corsage of blue carnations.

The couple left following the reception to points of interest in the southeastern states. For traveling the bride chose a light blue wool suit with brown accessories. Her hat was of white feathers and her corsage was of white carnations. Mr. and Mrs. Jones will make their home at Fort Knox, Ky., where the groom is located with the United States Army.

The bride is a graduate of the Rosebud High School and Baylor University, receiving her BA degree from that institution this summer with a major in elementary education.

Mr. Jones is a graduate of Freeport High School and Southwest Texas State College at San Marcos with a major in business administration.

Miss Evelyn Klapka Complimented At Jones Prairie Shower

Miss Evelyn Klapka, bride-elect of Walter Burnett, was honored with a miscellaneous shower Wednesday evening at the Jones Prairie Community Center from seven until nine o'clock.

Mrs. Robert Glenn directed the games. Miss Rosalie Matyastik presided at the bride's book where twenty-five guests registered.

The table was laid with a hand made crochet cloth over pink and centered with an arrangement of gold and blue love-birds, bells and hearts, suspended from a minature wishing well, nestled among greenery. The arrangement was made by Mrs. Glenn.

Co-hostesses were Mrs. W. B. Burnet, Mrs. O. T. Canady and Miss Susie Atkinson. Frosted Cckes and cookies were served to the guests. Plate favors were silver bells with inscription, "Evelyn and Walter".

The honoree received about forty gifts.

Miss Klapka and Mr. Burnett will be married September 3.

Sue Ann Mills, Bride of Leland Tindall, Honored

Miss Sue Ann Mills of Milano, who was married to Mr. Leland Tindall, was honored at a shower Friday afternoon at the home of Mrs. Small. Assisting in the afternoon party was Mrs. Small's daughter.

The bride's chosen colors of pink and green were carried out by the hostesses. White cake squares and green pink was served to the large crowd attending.

Miss Mills and Mr. Tindall were married Sunday afternoon at two o'clock at the First Methodist Church at Milano.

Joe Denson Receives Certificate At Fifth Annual Institute Meet

Valuable instructions in various phases of credit bureau merchant association and collection service management were received by Joe C. Denson, at the fifth annual Association Management Institute conducted in Austin, August 16-20.

Denson returned to Cameron, Friday. He was one of several score of credit bureau - merchants association managers, assistants, and supervisors and the heads of collection offices in various parts of Texas who attended the School.

The Institute was sponsored by the Retail Merchants Association of Texas and the State and National Association of Credit Bureaus, in cooperation with the University of Texas' Division of Extension.

Practical instructions, given by authorities in the various fields of credit, collection and trade association work were offered during the week of school.

Denson said he took the following courses while in Austin: Collection Service Fundamentals, Human Relations,; Retail Merchants Association Management, Business Law, Business Communications.

Credit Bureau Fundamentals.

"It was the unanimous opinion of everyone attending the institute that the information we received will greatly benefit us in our work and enable us to solve many of the problems associated with merchants association and credit bureau activities more efficiently," Denson said.

Denson has finished a four year course. At the banquet on Thursday night, August 19, Denson received a certificate for completing a hundred hours with the Merchants Credit Bureau and collective Service.

Yarrellton Folks Have Fish Story; It Didn't Get Away

This time "the big fish" didn't get away!

Mr. and Mrs. W. G. Lock and family of Rogers caught a twenty eight pound Bufflo fish in G. W. Blansett's tank at Yarrellton Wednesday.

This particular fish has been on many fisherman's hook, but it always got away. It has lived in the Blansett tank for several years.

Mr. Blansett, who is presently living at the Arlington Masonic Home, always enjoyed the children's coming and fishing in his tank. More than once has Mr. Blansett caught this monster on the hook, but the smart fish always managed to slip out and get away. He will be glad to know that it has finally been captured.

It was reported that during the recent hot, dry days the water reserve of the pond has slowly been decreasing and the hugh fish could be seen floating around in the warm waters. They felt that the hot weather had made the fish restless and forced it to look for something out of the ordinary.

Several neighbors arrived in time to help pull the big one in, and this time it didn't get away.

Mr. and Mrs. Frank Collins of Calvert are the parents of a son born at St. Edward Hospital on August 15. He was named Frank James and weighed seven pounds nine ounces.

Former Yoemen Back Returns To Allen Academy, Bryan

Bobby Biskup, 165 pound former Cameron Yoemen, will be among the fifteen lettermen returning for the football team at Allen Academy in Bryan. Grid training begins September 1 when 40 are expected to report.

Biskup is in his sophomore

year at the college, where he was named a member of the all-conference grid squad last year.

Allen Academy is a member of the Texas Junior College Conference, and plays five conference opponents.

Other lettermen returing to the team, as announced by head coach Doyle Waller and his assistant, J. B. Carrington, are:

Backs Charles Gray, 190, of Newton; Stan Bullock, 190, Dallas; Cecil Bean, 185, Newton; Bobby Biskup, 165, Cameron, and Percy Gaspard, 160, Crowley, La.; Ends Gene Gilber, 195, Jasper and John Louviere, 185, Sour Lake; tackles, Gerard Losack, 200, Orchard; Bill Hill, 195, George West and guard Tom Rape, 165, St. Louis, Mo.

The Allen Academy Ramblers won two games last year, lost six and tied one. This year's schedule plans for five home games, of which two are conference headliners.

The schedule is as follows:

Sept. 18 Ranger Jr. Col. Home
Sept. 25 Wharton Jr. Col. Home
Oct. 2 Tarleton Jr. Col. There
Oct. 9 Victoria Jr. Col. Home
Oct. 14 x Henderson Co. Jr. Col. There
Oct. 23 x Paris Jr. Col. Home
Oct. 30 x Cisco Jr. Col. There
Nov. 6 x Navarro Jr. Col. Home
Nov. 11 x Blinn College There
x Conference Games

Biskup is no newcomer to local grid fans, as he powered the Yoemen through many games while attending Yoe High School. His field, however, was not limited to only football, as he was a star on the Yoemen basketball team and baseball team. Upon his graduation, Biskup completed his schooling here with honors and has continued to capture them at the Bryan military college.

PETITION —

Jack Prescott, a Cameron attorney and Milam County campaign manager of Allan Shivers in the August primary filed a petition in the Milam County District court Tuesday morning asking that the court command the canvassing committee for the Milam County absentee box count 247 ballots which were originally thrown out by the board. The hearing on this case has been set at 10 a.m. Saturday, Sept. 4.

The petition filed with court reads as follows:

Lee Young, ET AL
vs
Leo J. O'Neill, ET AL
In the District Court
of
Milam County, Texas
Plaintiffs Original Petition

TO THE HONORABLE O. D. GRAHAM, JUDGE OF SAID COURT:

Now come LEE YOUNG, RAY STARR, JAMES F. GUNN, BILL DOCKALL, H. H. COFFIELD, MAURINE ADAMS, W. P. HOGAN, C. W. MOEHRING, JOHN T. RICHARDS, WALTER WEISE, JOHN C. HIRT, JOHN YELVERTON, I. B. BULLOCK MRS. I. B. BULLOCK, and H. H. HARRIS, hereinafter called Plaintiffs, complaining of LEO J. O'NEILL, LUCILLE ERWIN and DORIS GAMBLE, hereinafter called Defendants, and for cause of action would respectfully show the Court as follows:

1.

Plaintiffs are all residents of Milam County, Texas, and reside in voting Precinct No. 15 of said County. Defendants all reside in Milam County, Texas.

2.

On the 28th day of August 1954, the Democratic Party of the State of Texas conducted a primary election, commonly known as the Second Primary, and in accordance with the provisions of this State-wide primary election, the Democratic Party of Milam County, Texas, conducted a primary election in all of the precincts of said County, and provisions were made for absentee voting at the office of the County Clerk, Milam County, Texas, as provided by Law; that these Plaintiffs, along with many other voters, cast their ballots with the Couny Clerk in the manner provided by Law for absentee balloting; that the total absentee ballots cast in Milam County, Texas, was in excess of three hundred; that the Defendants were appointed by the Chairman of the Milam County Democratic Committee, Max McClaren, and-or the Milam County Democratic Committee, to be the Special Election Board to canvass and count the absentee ballots of Milam County, Texas that were cast with the County Clerk of said County.

3.

Plaintiffs would show the Court that they are all legally qualified voters and residents of voting Precinct No. 15, Milam County, Texas, and that they, along with two hundred thirty-two other legally qualified voters and residents of said Precinct No. 15 of said County, cast their absentee ballots with the County Clerk of Milam County, Texas; that all of said absentee ballots were cast in the manner provided by Law; Plaintiffs would further show the Court that when the Defendants convened as the Special Election Board on the afternoon of August 28, 1954 for the purpose of canvassing and counting the absentee ballots of Milam County, Texas, that one Don Humble appeared before said board and purported to challenge all absentee ballots from Precinct No. 15 that were cast with the County Clerk; that said Don Humble gave no specific grounds for challenge of any specific ballot that was cast, but merely stated that he felt and believed that some of the absentee ballots were illegal; therefore, he was challenging all of said absentee ballots from Precinct No. 15, Milam County, Texas. There was no evidence of any kind submitted by said Don Humble or anyone else to substantiate the purported challenge that was made to said absentee ballots from Precinct No. 15. Whereupon, Defendants herein summarily rejected the absentee ballots of Plaintiffs, along with 232 other absentee ballots, from said Precinct No. 15, and refused to canvas and count said absentee ballots, and as a result of this purported challenge and the summary rejection of these 247 absentee ballots these Plaintiffs and 232 other legally qualified voters of voting Precinct No. 15, Milam their right and privilege to cast their ballots for the candidates of their choice in said election. Plaintiffs would further show the Court that the action of Don Humble in purporting to challenge these absentee ballots and the action of Defendants herein in rejecting these absentee ballots was illegal and arbitrary and without any sanction whatever in Law, and was specifically in violation of the mandatory provisions of Article 5.05 of Vernon's Texas Election Code, and that in truth and in fact, the purported challenge and rejection of these absentee ballots constituted fraud as to these Plaintiffs and 232 other qualified voters of said Precinct No. 15, Milam County, Texas, and said fraud resulted in the deprivation of the sacred right to vote of these Plaintiffs and 232 other voters in said Precinct No. 15, and said fraudulent conduct disenfranchised these Plaintiffs and 232 other qualified voters without due process of Law and in violation of the Constitution of the United States and the Constitution and Statutes of the State of Texas; that all of said conduct was arbitary and without legal cause or reason and the Plaintiffs have no other remedy in Law or in equity other than mandamus by which they can obtain the relief herein sought and have their ballots canvassed and counted according to Law.

WHEREFORE, Plaintiffs pray that Defendants be ordered and notified to appear at a hearing at such time and place as designated by the Court, and that upon proper hearing, they be ordered to canvass and count the 247 absentee ballots in question according to the provisions of Law in such cases made and provided; that mandamus issue upon such hearing ordering Defendants to canvass and count such ballots as provided by Law and certify the results of such canvas and count as provided by Law; and for such other and further relief to which they may be entitled.

Respectfully Submitted,
JACK W. PRESCOTT

Attorney for Plaintiffs

DEMOS —

feel like I am worthy of any resolution. I have tried to carry out my duties as Chairman the way that I feel they should be carried out. I appreciate all of the committeemen and our visitors for coming this morning and being with us, and I also extend my appreciaiton to all of the election Judges who have held this runoff primary, and the committee also appreciates the work of the Judges and the clerks for taking their time off and carrying out this important function."

A motion was made by E. A. Camp that the committee adjourn. Following a second by Mr. Link the motion was unanimously approved.

HANEL —

and Mrs. Rose Hoyt of Houston.

Also surviving are 38 grandchildren and 26 great-grandchildren.

Requim High Mass was said at 9 a.m. Monday, August 30 at St. Monica's Catholic Church with Rev. Clyde Holtmann, assistant pastor, officiating. Burial was in St. Monica's Cemetery. Rosary was recited Saturday and Sunday at 8 p.m. at the Chapel of Marek-Burns Funeral Home.

Pallbearers were grandsons of Mrs. Hanel and they were Clarence Hanel, Herman Hanel both of Cameron, Gregory Hanel of Houston, Johnny Hanel of Crosby, Bill Kruel and Robert Kruel both of Dayton.

BOLLWORM —

April 1.

Infestation counts given by entomologists showed that Williamson had the highest record of pink bollworms in the area. Brazos county was second and Milam and Grimes were third and fourth. Bell was fifth.

Dr. Gaines said that mechanical strippers get most of the bolls off the cotton plants. These are taken to the gins where the pink bollworms are killed. He added here is now a stalk shredder in operation on an experimental basis this year which may offer a 100 per cent kill of pink bollworms. Present shredders will kill only about 70 per cent of the pink bollworms, he added.

Moore and Smith were scheduled to meet with the Crops and Conservation Committee of the Cameron Chamber of Commerce to discuss this matter. No actual steps had been taken Wednesday by any Milam county group on the infestation of the pink bollworm in this county. The infestation has been increasing, County Agent Moore said.

Mr. and Mrs. Gray Fisher and children Nita and Forrest of Elgin were recent visitors with relatives here.

247 Absentee Ballots Rejected Saturday By Canvassing Board

Over 200 Milam County absentee ballots were rejected Saturday by the canvassing board appointed to canvass the absentee votes in the August run-off primary.

Don Humble, appeared before the canvassing board and challenged all of the absentee ballots from Rockdale, Precinct 15 that were not voted in the office of the County Clerk. Humble said, "I challenge these absentee votes as a private citizen."

Collier Pearson of Rockdale and Eber Flinn of Cameron were supervisors at the absente ballot box. Request for their appointment came from Ralph Yarborough.

Jack Prescott, Milam County Chairman for Gov. Allan Shivers, said Saturday night that he would file proceedings Monday in district court to get the ballots counted.

Leo O'Neill, deputy county clerk, who was the judge of the canvassing board said that the appointment of the supervisors came as a surprise to him.

O'Neill said that the board had no alternative and voted unanimously to reject the ballots. He said the ballots were locked in the vault in the county clerk's office.

Max McClaren, county chairman, said that the board named to canvass the absentee votes is the same one appointed by the County Democratic Executive Committee to canvass absentee votes in the July Primary.

Cameron Yoemen Scrimmage With Lockhart, Giddings

The Cameron Yoemen traveled to Giddings Friday afternoon for scrimmages against the Class 23-AA Lockhart and Class A Giddings teams. Approximately twenty-seven boys were included on this trip, accompanied by Coaches Leo Jackson and J. R. Young.

During these scrimmages, the ball is placed on the fifty yard line and each team is allowed twelve plays in an attempt to score a touchdown.

During the Giddings scrimmage, the local boys scored once and gave up one TD. Lockhart clipped off two scores on the Yoemen, while the local boys crossed the goal line once and were on the Lockhart five yard line when their twelve plays ran out.

It was emphasized that both Giddings and Lockhart are supporting strong veteran teams this year. Lockhart lost six boys from their 1953 squad.

The local Coaches were proud of the way the boys showed up against the two experienced teams, however, many spots will have to be ironed out. "The team is definitely improving," Coach Jackson stated.

He remarked that the team attitude was good in that the gridders were young and eager to learn.

Jimmie Rettig, who suffered a muscle injury in Thursday's workout did not scrimmage with the team. Coach reported that the injury was not serious, but painful.

Mr. and Mrs. Bohas B. Hyrl of Caldwell announce the arrival of a daughter at St. Edward Hospital on August 16. She was named Peggy LaNell and weighed 8 pounds, 2 ounces.

Mr. and Mrs. T. L. Posey of Waco have announced the arrival of their son, David Barkley, at Hillcrest Hospital. He weighed eight pounds and 13 ounces. To welcome the new arrival were brother, Thomas Louie and a sister, Pam. Mrs. Posey is the former Mildred Tindall, daughter of Mr. and Mrs. H. C. Tindall. Other grandaprents are Mr. and Mrs. Narvel Posey of Houston. This is the 15th grandchild for the Tindalls.

Mr. and Mrs. Roman Marak and daughters spent their vacation in Houston and Galveston visiting relatives and friends.

Mr. and Mrs. B. Janek of Cameron are the parents of a son, Stanley Joseph, born August 21 at St. Edward Hospital. He weighed 7 pounds, 13 ounces.

Stanley Price, son of Mr. and Mrs. Tibbu Price, has returned from Tahoka, Texas where he visited his brother, Wright Price and family. While there they went to New Mexico, and went sight-seeing in the mountains and other places of interest.

Announcing

I wish to announce the sale of my service station located corner of Highway 77 and North Fannin, to Fred M. Carroll, now of Cameron.

I heartily invite all my customers to come by and meet Mr. Carroll and trade with him, since he promises excellent service on your car.

I wish to express my appreciation to my customers for their faithful patronage and urge them to visit Carroll's Texaco Station.
